

Brown & Brown Motorsport UK Northern Ireland Rally Championship 2026
Permit number: CH2026/RALLY003

BULLETIN 1

Ref: Round 2 – McKinney Competitions Circuit of Ireland Rally

Motorsport UK Permit Nos: National: 205869 / Interclub: 205870

This event is noted in the Championship Regulations as “Saturday only”.

The organisers have confirmed that the Saturday leg of the Rally will be seeded as single field so that competitors taking part in the Saturday leg only will be mixed in with those taking part in the 2-day event.

For the avoidance of doubt and to clarify how Championship points will be awarded, the following shall apply:

Points will be awarded to eligible registered competitors based on the published Final results of the Saturday leg of the McKinney Competitions Circuit of Ireland Rally between the Saturday Start Control and the Saturday Final Control.

This means that it is possible to score NI Championship points on the Saturday leg of the Rally whether taking part over one day or two days of the event.

Gavin Campbell
Championship Coordinator
